Defense Asks for More Time.

Owing to the defense asking for more time in which to prepare petitions the suit of L. W. Arnett and others against Garry Herrmann and the National Base Ball Commission for a temporary injunction restraining the commission from enforcing the five mile clause which would prevent the Blue Grass League from placing teams in Covington and Newport the case did not come up for a hearing before the Federal Court at Frankfort Monday. The case will probably be argued within the next few days and Judge Cochran who is sitting at the term of court will perhaps take the case under advisement and will render a decision later.

President Tom Russell, of the Blue Grass League, has called a meeting of the league directors to meet in Lexington Wednesday. Either President J. W. Bacon or Secretary Wm. Shire, of the local club will represent Paris. Matters of importance, including the adoption of a schedule will come up before the meeting.

Millersburg Warehouse Assured.

A warehouse at Millersburg during the coming season is now assured. An amount of money almost sufficient to erect a warehouse and build and furnish an equipment has been secured and from the present outlook it seems nothing to hinder the project. Several of the most prominent citizens of that town interested themselves in this movement a few months ago, and their intentions were announced, but owing to the fact that those at the head desired the matter to be kept under cover until it was thoroughly assured that the money with which to erect a warehouse could be assured.

Those who took the initiative have been actively engaged in soliciting subscriptions with the result that a greater part of the sum of \$25,000 has been raised.

Those who are interested in the project have in view a very suitable location for the warehouse, easily accessible to the railroad, which will furnish necessary shipping facilities. It is probable the purchase of the property will be made in the near future and the erection of an immense warehouse will begin in the early spring.

Grand Jury Makes Partial Report

Little business has been transacted in Circuit Court since Tuesday, Judge Stout devoting the time to hearing civil cases. The petit jurors were excused Tuesday and reported in court yesterday morning.

Yesterday afternoon the grand jury, which has been very busy in its deliberations, made a partial report to the court in which eight indictments were returned. The cases before the grand jury were those in which the defendants were confined in jail, and following the instructions of Judge Stout were taken up first.

The case of the Commonwealth against Woodford Spears is assigned for trial today.

The Commonwealth docket was taken up on the convening of court Tuesday morning, and the case of the Commonwealth against Cash Crowe was called. Crowe was indicted on a charge of petit larceny, and the jury in the case returned a verdict of acquittal. Crowe broke jail last October, and was apprehended several weeks ago at Leavenworth, Kansas. He was brought to Paris to answer the charge against him.

The case of the Commonwealth against Sarah Lee, colored, charged with malicious cutting and wounding with intent to kill, was tried, resulting in the accused being acquitted of the charge.
